Experience

Graduate Research Assistant – Lab for Usability, Communication, Interaction & Accessibility (LUCIA)
Auburn University, Auburn, AL | August 2025 – May 2026

- Conducted qualitative and quantitative user research through usability testing, surveys, and stakeholder meetings to evaluate digital content and user experiences.
- Synthesized research findings into reports and recommendations that informed website improvements and accessibility decisions.
- Developed and edited research documents, including surveys and interview materials, ensuring clarity and alignment with project objectives.
- Collaborated with faculty and interdisciplinary partners to coordinate research activities, project timelines, and communication across multiple initiatives.
- Prepared audience-centered reports, presentations, and web content for academic, client, and institutional stakeholders.
- Applied accessibility and institutional communication standards throughout recurring research deliverables.

User Experience (UX) Researcher

Jule Collins Smith Museum of Fine Art, Auburn University, AL | Fall 2024

- Planned and conducted audience research and moderated usability testing to evaluate website usability and communication effectiveness.
- Collected and analyzed qualitative feedback to identify usability issues and opportunities for improving digital content.

- Produced research reports, surveys, presentations, and recommendations that supported website and communication enhancements.
- Collaborated with institutional stakeholders to communicate research findings and prioritize improvements.
- Reviewed deliverables for consistency, clarity, and alignment with university communication standards.

Grant & Proposal Writer

Opelika Grows | Auburn/Opelika, AL | Fall 2025 - Spring 2026

- Developed grant proposals and supporting documentation tailored to funding requirements and organizational objectives.
- Conducted background research and analyzed funding opportunities to support proposal development.
- Coordinated proposal schedules and collaborated with contributors to meet submission deadlines.
- Organized research findings into persuasive, audience-focused written deliverables.

Graduate Teaching Assistant – Department of English

Auburn University, Auburn, AL | Fall 2024 - Spring 2025

- Facilitated classroom discussions and workshops focused on audience awareness, professional communication, and effective writing.
- Provided detailed editorial feedback that strengthened organization, clarity, and usability of written content.
- Assisted with instructional materials and supported student engagement throughout the academic term.
- Evaluated written assignments using established communication and quality standards.

Project Manager

Decon International Inc. | Tortola, British Virgin Islands | 2020 - 2024

- Served as the day-to-day communications point of contact across multi-stakeholder construction projects, coordinating clients, contractors, and vendors.
- Authored reports, presentations, bid documents, and client-facing content translating technical and regulatory information for diverse audiences.
- Coordinated communication calendars, production schedules, and deliverables to keep projects and content on track.
- Maintained electronic document management systems and communication archives, keeping project information organized, searchable and easy to find.

Project Manager

W&W Reliable Construction & Project Management | Tortola, British Virgin Islands | 2018 - 2020

- Developed standard operating procedures, templates, and organizational documentation that improved consistency across business operations.
- Produced company profiles, qualification packages, and client-facing materials that communicated organizational capabilities and supported business development efforts.
- Coordinated documentation, communication schedules, and production timelines across multiple initiatives to ensure timely project completion.
- Partnered with internal stakeholders to collect, organize, and communicate project information across teams.
- Maintained document quality through editing, proofreading, and template standardization.

Freelance Writer & Content Developer

Outlish Magazine (Online Publication) | Trinidad & Tobago | 2010 - 2014

- Researched, wrote, and edited digital content based on audience interests and editorial objectives.
- Collaborated with editors to refine content through multiple review cycles, incorporating feedback prior to publication.
- Adapted writing style and content organization for different audiences and publication formats.
- Balanced multiple writing assignments while consistently meeting editorial deadlines.
- Applied audience-centered writing principles to improve clarity, readability, and engagement.

Inventory Coordinator

Schlumberger / M-I SWACO | Trinidad & Tobago | 2013 - 2017

- Coordinated communication between clients and cross-functional operational teams to support timely service delivery.
- Maintained accurate operational records and documentation within a highly regulated environment.
- Collaborated with engineering, logistics, and operations teams to communicate project updates and resolve information needs.
- Prioritized accuracy and attention to detail while managing multiple operational requests simultaneously.
